Roles and Responsibilities

- Talent Acquisition and Onboarding
- Relationship Management
- Strategic Planning and Goal Setting
- Content Strategy and Creation
- Brand Partnerships and Collaborations
- Performance Monitoring and Analytics
- Crisis Management

- Legal and Financial Management
- Training and Development
- Community and Network Building
- Innovation and Adaptation
- Feedback and Improvement
- Administrative Duties

Talent Acquisition and Onboarding

Talent Recruiting:

- Identify potential influencers who share our values and ambitions.
- Verify their identity thoroughly and check their social media presence.
- Make contact and establish a rapport with them.

Onboarding:

- As you greet new influencers, give them a thorough rundown of our business.
- Arrange for the first meetings to go over their expectations, ambitions, and career aspirations.
- Make sure all relevant agreements and contracts are signed.

Relationship Management

Building Relationships:

- Maintain regular communication with influencers through calls, texts, and meetings.
- Understand their personal and professional needs and preferences.
- Every influencer is different. Provide personalized support and attention to each influencer.

Conflict Resolution:

- Address and resolve any conflicts or issues that arise with influencers.
- Mediate disputes between influencers and brands, or within the team.

Strategic Planning and Goal Setting

Career Development:

- Work with influencers to set short-term and long-term career goals.
- Develop actionable plans to achieve these goals.

Content Planning:

- Create a content calendar that aligns with the influencer's brand and audience.
- Schedule regular mapping meetings to generate new content ideas.

Content Strategy and Creation

Content Development:

- Assist influencers in developing high-quality, engaging content.
- Provide guidance on the latest trends, tools, and techniques in content creation with the help of the design team.

Review and Feedback:

- Review content before it is published and provide constructive feedback.
- Ensure all content aligns with brand guidelines and audience expectations.

Brand Partnerships and Collaborations

Identifying Opportunities:

- Identify potential brand partnerships and collaboration opportunities in emails or in the market.
- Match influencers with brands that align with their image and values.

Negotiation:

- Negotiate terms of collaboration and ensure favourable agreements for both parties.
- Handle contracts and ensure all terms are met.

Brand Partnerships and Collaborations

Brand Inquiry comes in from monetization

Negotiate terms with them on these topics:
Deliverable,
Product,
Brief,
Commercials,
Timeline.

Once locked, a confirmation mail will come to you, send it to the creator.

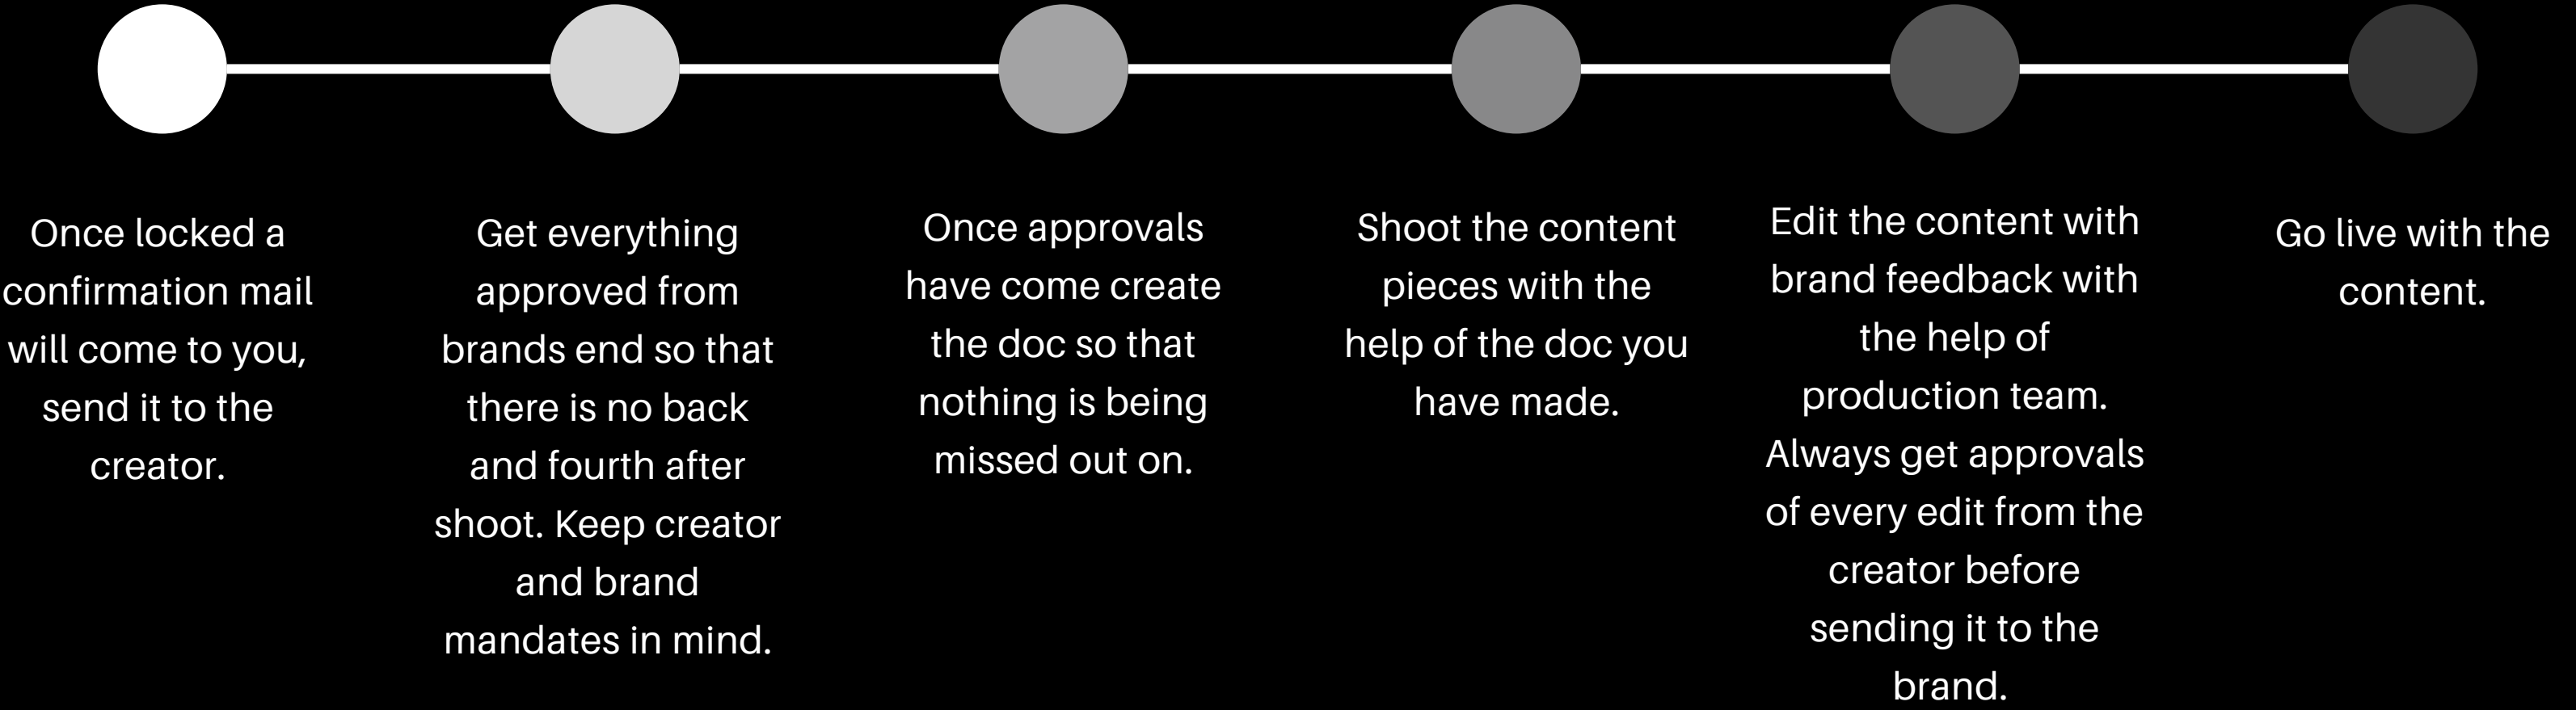

Execution of campaign includes everything on the doc.

Go live with the content

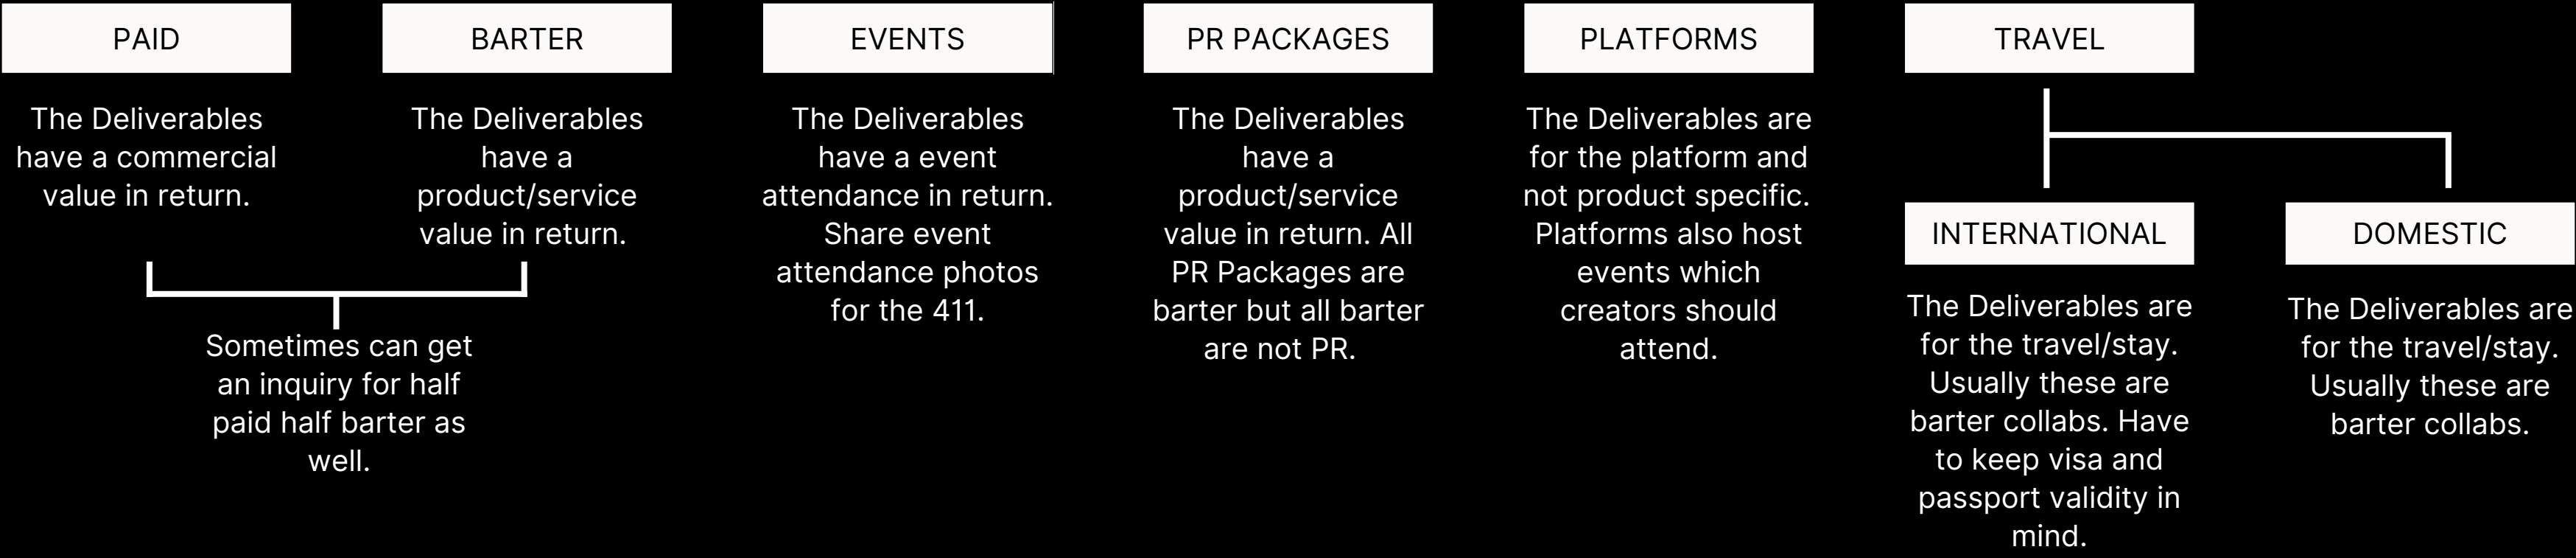

Ask for insights to the content a week after live date and update your collaboration sheet

Brand Partnerships and Collaborations

Execution Process

Brand Partnerships and Collaborations

Performance Monitoring and Analytics

Tracking Metrics:

- Track metrics such as engagement, reach, impressions, and conversions by asking the influencer for all social media insights monthly.

Crisis Management

Proactive Planning:

- Develop crisis management plans for potential issues. **Always have a Plan B.**

Swift Response:

- Act quickly to address and resolve crises.
- Any issue in collaborations should have quick and creative responses instead of worrying that it is an issue.

Legal and Financial Management

Contracts and Agreements:

- Ensure all legal contracts are clear and protect the interests of all parties.
- Keep track of contract renewals and negotiations.

Financial Oversight:

- Monitor and manage financial aspects, including payments.
- Ensure influencers are paid on time and accurately.

Training and Development

Skill Enhancement:

- Encourage influencers to enhance their skills.

Industry Trends:

- Keep influencers and yourself informed about the latest trends and changes in the industry.

Community and Network Building

Fostering Community:

- Encourage a sense of community among influencers signed with the company.
- Encourage a sense of community among coworkers in the office.

Networking:

- Facilitate networking opportunities for influencers with industry professionals and peers by sending them to events.
- Attend industry events and conferences to build connections.

Innovation and Adaptation

Staying Current:

- Continuously adapt to the changing landscape of social media and digital marketing.
- Stay updated on new platforms, tools, and trends.

Innovative Approaches:

- Encourage influencers to experiment with new content formats and styles.
- Foster a culture of creativity and innovation.

Feedback and Improvement

Regular Reviews:

- Conduct regular performance reviews/Mapping meetings with the influencers.
- Provide constructive feedback and set goals for improvement.

Continuous Improvement:

- Learn from past experiences and feedback to enhance future strategies.

Administrative Duties

Documentation:

- Maintain accurate records of all influencer activities, contracts, and communications.
- Ensure all administrative tasks are completed efficiently and accurately.

Reporting:

- Update sheets regularly.
- Keep track of all emails, docs and sheets.

Verticals

- Manager
- Creator
- Monetization
- Production
- Design
- Finance
- PR

Manager

- Coordination between all the verticals
- Creator calendar needs to be updated. It consists of events, shoots and travel dates of the creator
- Sheets need to be weekly updated about the campaigns that are ongoing.
- A tracker sheet will be given to you where you have to keep the company updated as to where you were working from that day (shoot, office) and what you worked on
- Campaign doc needs to be filled before a campaign shoot happens. This doc needs to be printed and gotten on the day of the shoot
- Keep updating the drive links at the end of the month for monthly insights of the creator
- Collaboration execution between monetization, production and creator
- Come up with creative ideas that suite your creators genre. And try keeping them relevant
- Reimbursement sheet needs to be filled if any money was removed from your pocket for the collaboration. Travel is not included.
- Seize PR opportunities for your creator. Events and Articles both included.
- Creator Emails need to be checked regularly. If any interesting/worthy email comes from an agency/brand loop in our POC from monetization to take it further.

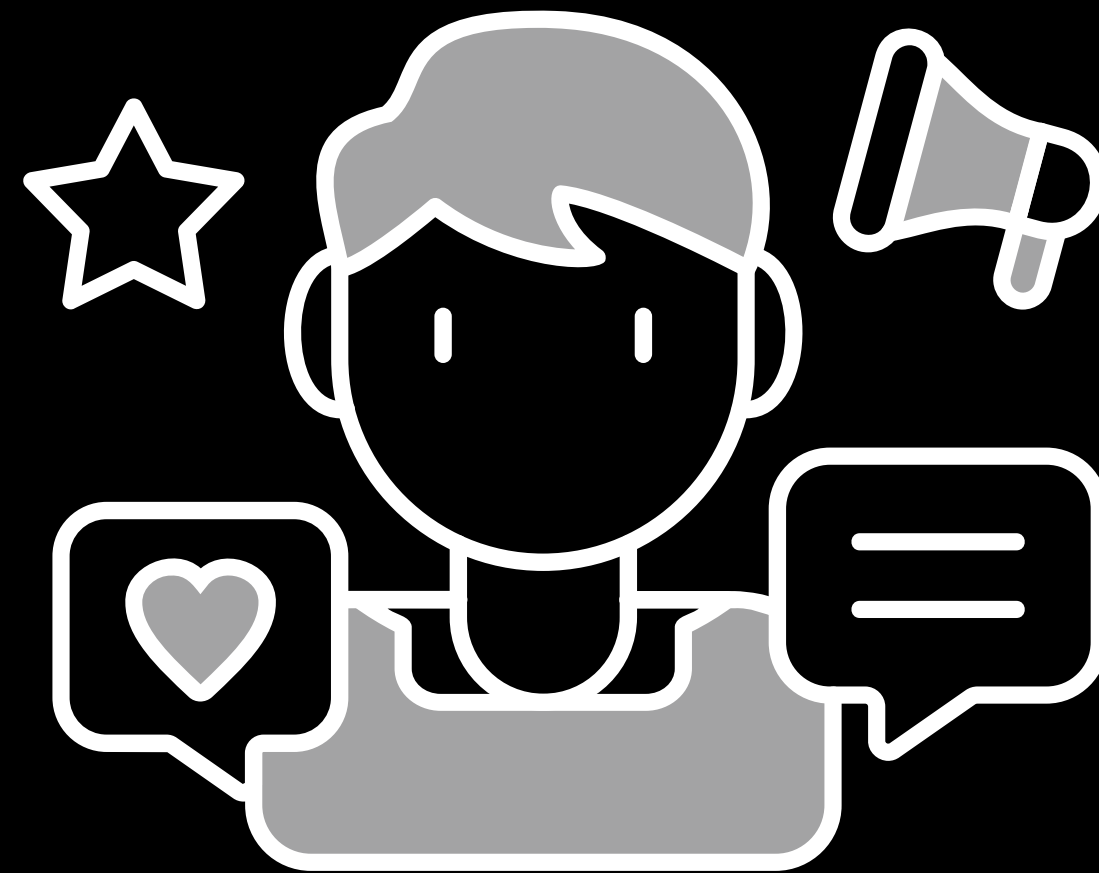

Manager

- Collaboration with multiple brands
- Locking campaigns with brands
- Invoicing of the brand collaboration once its over.
- Image value of creator should be protected.
- Studio booking for shoots
- Checking if packages have reached creator if not coordinate with the courier company
- Brand Products are usually sent by brand but if not, the cost of it is added in commercials and has to be purchased by you for the creator or the product cost is reimbursed after the campaign ends
- Sourcing for outfits, accessories, props for the creator
- Contact for collaborating with hair and makeup artists.
- Always be present at a brand campaign shoot.
- Being present at a personal shoot depends if creator needs help and has asked you to be there.
- You are making the creator a brand and therefore your opinion matters weather they should be taking a project or not and if not why so

Creator

- Make sure the execution of collaboration goes smoothly from creator's end as you are the face of the creator in the company
- Personal Shoots should also hold a certain mark before posting. Keep in mind how to filter certain things for your creator's image
- Event attendance is a must to stay relevant in the community.
- Scheduling of their work and making it easier for them
- PR events and packages need to be executed properly
- Brand image needs to be kept in the creator's mind
- Task list should be sent to the creator by the end of the day if they are working on multiple things so that they know what all needs to be done from their end by the next day

Monetization

- Collaboration locking with the team
- Commercials are negotiated with them if you think the brand is not valuing the content piece that is to come from the said creator.
- Creator mandates need to be followed. one-off campaigns are there where it has been revised for because the commercials are good or the brand value is good for the creator.
- Execution of the campaign is done with this team as they are in contact with the brand.
- Once the confirmation mail is sent from this team the collaboration can start its execution phase as explained in the slide above.

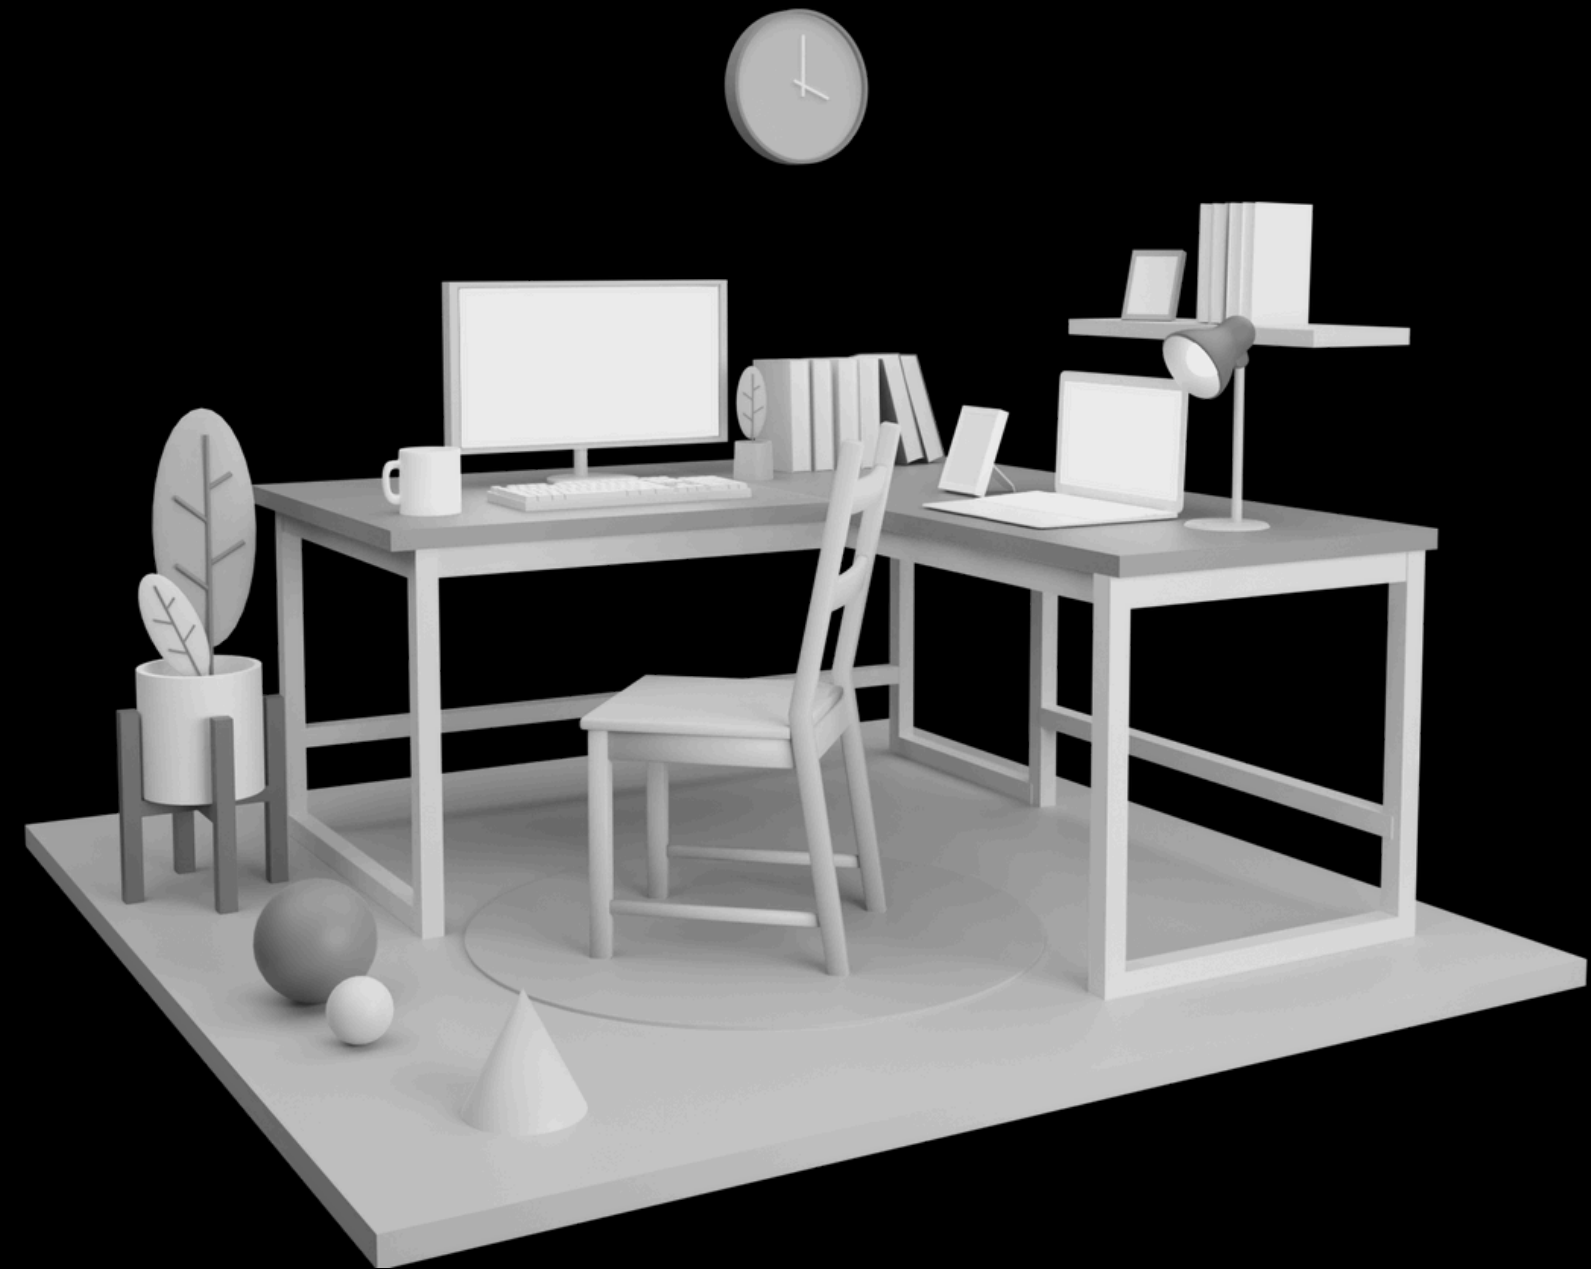

Production

- Equipment needs to be booked in advance of the shoot. Make sure the equipment list has come from the DOP and the cost of the list has been confirmed by the creator as that is an expense from their end.
- Once the video is shot get in contact with the production team and work on the edits. Try reducing the number of rounds of feedback as it gets hectic for the editor.
- Not more than 3 feedback edits should go to the editor.
- DOP needs his space while he is shooting and therefore the doc comes in handy here, the doc is given to DOP to understand the entire campaign summary.
- The studio needs to be booked with props well in advance if needed

Design

- There is a quarterly mapping meet usually held for creators where we discuss the content that has gone live previously and how to enhance the work. Speak to the creator as to what they have in mind for their account/career.
- The team then brainstorms on ideas and gives a doc from their end as to how to go about it.
- References are shared for each creator on a daily basis in the Instagram group chat
- Help can be asked from the team for creative content for personal/brand campaigns if creator is stuck

Finance

- Keep track of contract renewals and negotiations.
- Ensure influencers are paid on time and accurately.

PR

- PR Packages need to be confirmed and delivered to creator
- Last minute backouts should be avoided for events as it gives a bad impression to brand
- Creators should be writing pr articles are are relevant to their genre

Glossary

A

Analytics: The systematic computational analysis of data or statistics to understand and improve performance.
Audience: The group of consumers who follow and engage with an influencer's content.

B

Brief: A document that outlines the details, objectives, and requirements of a campaign.
Brand Collaboration: A partnership between an influencer and a brand to promote products or services.
Brand Guidelines: A set of rules that explain how a brand should be presented, including logo use, colors, and tone.
Brand Partnership: A formal agreement between an influencer and a brand to work together for mutual benefit.

C

Campaign: A series of coordinated activities or events designed to achieve a specific goal, often involving multiple content pieces.
Commercials: Paid advertisements created and shared by influencers to promote a brand's product or service.
Content Calendar: A schedule of planned content, including event and travel dates.
Content Creation: The process of generating topic ideas that appeal to the audience and creating written or visual content around those ideas.
Content Strategy: A plan for creating, publishing, and managing content that aligns with an influencer's brand and goals.
Crisis Management: The process of preparing for and dealing with negative events that can impact an influencer's reputation.

D

Deliverables: Specific outputs or results that an influencer or team is expected to produce as part of a campaign.
DM (Direct Message): A private communication sent on social media platforms.

E

Engagement: Interactions between an influencer and their audience, including likes, comments, shares, and views.
Engagement Rate: A metric that measures the level of interaction an influencer's content receives from their audience.

F

Followers: Individuals who subscribe to an influencer's social media accounts to receive updates and content.

Glossary

G

Goal: The process of defining specific, measurable, achievable, relevant, and time-bound objectives.
Growth Strategy: Plans and actions aimed at increasing an influencer's reach, engagement, and overall brand presence.

I

Influencer: A person who has the power to affect the purchasing decisions of others because of their authority, knowledge, position, or relationship with their audience.
Influencer Marketing: A form of marketing that focuses on using key leaders to drive a brand's message to the larger market.
Invoicing: The process of creating and sending invoices for payment of services rendered.

K

KPI (Key Performance Indicator): The protagonist that demonstrates how effectively an influencer is achieving key business objectives.

L

Legal Agreements: Contracts that outline the terms and conditions of collaborations, protecting the interests of all parties involved.
Long-Term Goals: Objectives set to be achieved over an extended period, typically over a year.

M

Mandate: An official order or commission to do something, often referring to the authorization given to manage a project or campaign.
Media Kit: A document that outlines an influencer's audience demographics, engagement rates, past collaborations, and contact information.
Mood board: A visual tool that gathers images, texts, and other elements to convey the overall feel or concept of a campaign or project.
Mapping meeting :A meeting where plans and actions are discussed to achieve specific goals or objectives.

N

Networking: The process of interacting with others to exchange information and develop professional or social contacts.

O

Onboarding: The process of integrating a new influencer into the company, providing them with the necessary tools, information, and training.
Organic Reach: The number of unique users who see an influencer's content without paid distribution.

Glossary

- P**
Performance Monitoring: The continuous process of collecting and analyzing data to measure the effectiveness of an influencer's content and strategies.
POC (Point of Contact): The designated person within an organization who manages communication and coordination for a project or collaboration.
PR (Public Relations): The practice of managing and disseminating information from an organization to the public to influence their perception.
- R**
Reach: The total number of unique users who have seen an influencer's content.
ROI (Return on Investment): A measure used to evaluate the efficiency of an investment, calculated as the gain from the investment divided by the cost of the investment.
- S**
Short-Term Goals: Objectives set to be achieved in the near future, typically within a year.
Social Media Platforms: Online platforms that enable users to create and share content or participate in social networking (e.g., Instagram, YouTube, Snapchat).
- T**
Talent Acquisition: The process of identifying and recruiting influencers to join the company.
Target Audience: A specific group of people identified as the intended recipient of an influencer's content.
Timeline: A schedule that outlines the key milestones, deadlines, and deliverables for a project or campaign.
- W**
Workflow: A sequence of processes through which a piece of work passes from initiation to completion.
- Y**
YouTube Analytics: Tools provided by YouTube to track the performance of videos and understand viewer behavior.
